Conflict of Interest Policy

Approved: December 2014

Purpose:

The purpose of this policy is to clarify how WSWM will handle decisions or transactions which give rise to a real or perceived conflict of interest.

Scope:

This policy applies to directors, officers, employees, committee members, volunteers and other decision-makers within WSWM.

Statutory obligations:

WSWM is incorporated under the Manitoba Corporations Act and is governed by the Act in matters involving a real or perceived conflict between the personal interests of a director or officer (or other individual involved in decision-making or decision-influencing roles) and the broader interests of the corporation.

Conflicts involving directors, officers and other decision-makers:

Decisions or transactions which involve a real or perceived conflict of interest by a director, committee member or volunteer may be approved by WSWM provided that:

- The nature and extent of the individual's interest is immediately and fully disclosed to the body which is considering or making the decision,
- After disclosure, the decision or transaction is properly approved,
- The interested individual abstains from voting on the proposed decision or transaction,
- The interested individual is not included in the determination of quorum for the proposed decision or transaction, and
- The decision or transaction is in the best interests of the corporation.

Conflicts involving employees:

WSWM will not restrict employees from accepting other employment, contracts or volunteer appointments during the term of their employment with WSWM, provided that:

- The employment, contract or volunteer appointment will not diminish the employee's ability to perform the work contemplated in their employment agreement with WSWM,
- WSWM is notified in writing of the employee accepting other employment, contract or volunteer appointment, and gives written approval, and
- In WSWM's sole discretion, the employment, contract or volunteer appointment does not represent a conflict with the employee's role, responsibilities and duties with WSWM.

Enforcement

A breach of any provision in this policy may give rise to discipline in accordance with WSM's Code of Conduct and Discipline policy.
